

Accessibility Statement

Thought Bubblez ("Our Company," "We," "Us") is committed to ensuring digital accessibility for people with disabilities. We're continually improving the user experience for everyone and applying the relevant accessibility standards.

Measures to Support Accessibility

Thought Bubblez takes the following measures to ensure accessibility of our website:

- **Integrating accessibility into our procurement practices:** We aim to select tools and platforms that support accessibility standards.
- **Providing continual accessibility training for our staff:** Our team is educated on the importance of accessibility and best practices.
- **Employing clear and consistent navigation:** We strive to make our website easy to navigate for all users.
- **Ensuring proper color contrast:** Text and background colors are chosen to provide sufficient contrast for readability.
- **Providing alternative text for images:** All meaningful images on our site include descriptive alt text.
- **Enabling keyboard navigation:** Our website can be fully navigated using only a keyboard.
- **Using clear and concise language:** We aim for plain language that's easy to understand.
- **Offering audio overviews:** We provide audio overviews on our main pages to briefly describe the website content, assisting customers with visual impairments or those who prefer audio access.
- **Providing a comprehensive accessibility widget with various customization options, including:**
 - **Language:** English (EN)
 - **Widget Size:** Small, Medium, Large
 - **Keyboard Shortcuts:** Enable/Disable
 - **Accessibility Profiles:**
 - Reader Profile (focused reading)
 - Blind Users Profile (screen reader navigation)
 - Seizure Safe Profile (clear flashes & reduced color)
 - ADHD Friendly Profile (more focus & fewer distractions)
 - Cognitive Disability Profile (assists with reading & focusing)
 - Visually Impaired Profile (optimizes digital interactions)
 - Motor Impaired Profile (eases use for motor impairments)
 - Elderly Users Profile (compensates for aging-related changes)
 - Color Blind Profile (optimizes digital interactions)
 - **Content Settings:**
 - Font Scale

- Dyslexic Font toggle
- Increase Line Spacing
- Increase Letter Spacing
- Increase Font Weight
- Text Alignment (Left, Center, Right)
- Voice Navigation (Talk and Type)
- **Browse Settings:**
 - Contrast Mode (Dark, Light, High Contrast)
 - Color Saturation (High, Low, Black & White)
 - Color Filters (Invert Colors)
 - Big Cursor
 - Text Magnifier
 - Reading Guide
 - Reading Mask
 - Highlight Links
 - Highlight Headings
 - Mute Sound
 - Stop Animation
 - Hide Images
 - Hide Video
 - Translate Page
 - Screen Reader
 - Text Summary
 - Virtual Keyboard
 - Dictionary
 - Page Structure
- **Widget Position:** Move Left/Right
- **Widget Visibility:** Hide Widget

Accessibility Commitment

Thought Bubblez aims to provide the best accessibility possible on our website. We're actively working to increase the accessibility and usability of our website and in doing so adhere to many of the available standards and guidelines, including those outlined in the Web Content Accessibility Guidelines (WCAG).

Feedback

We welcome your feedback on the accessibility of our website. Please let us know if you encounter accessibility barriers on our website:

E-mail: thoughtbubblezor@gmail.com

We try to respond to feedback within 5 business days.

Technical Specifications

Accessibility of our website relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- CSS
- JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

Assessment Approach

Thought Bubblez assessed the accessibility of our website by the following approach:

- Self-evaluation
- External evaluation
